

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF MONROE COUNTY)	
WATER DISTRICT FOR AN INCREASE IN)	CASE NO. 90-227
NON-RECURRING CHARGES)	

O R D E R

On August 1, 1990, Monroe County Water District ("Monroe") filed an application with the Commission proposing to increase its fee for a new service hook-up on a 5/8 x 3/4 inch size meter. On August 14, 1990, the Commission issued a letter requesting additional information concerning certain filing deficiencies be filed within 15 days. On August 23, 1990, Monroe filed its response to the deficiency letter and filed a copy of its affidavit of publication in the Tompkinsville News on August 2, August 9, and August 16, 1990.

Monroe has filed a schedule with the Commission that itemizes the expenses involved in providing the above-mentioned charge. A review of the schedule indicates that the proposed new service hook-up is equal to the expense of the charge. The Commission finds the proposed increase as set forth in Appendix A, which is attached hereto and incorporated herein, is fair, just, and reasonable.

IT IS THEREFORE ORDERED that:

1. Monroe's proposed increase in its fee for a new service hook-up on a 5/8 x 3/4 inch size meter as set out in Appendix A is

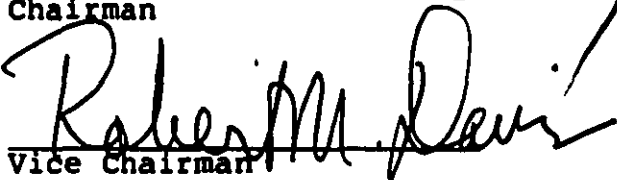

approved for service rendered by Monroe on or after the date of this Order.

2. Within 30 days from the date of this Order, Monroe shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 4th day of October, 1990.
